

# ADMISSIONS INFORMATION

Canaan Christian Academy seeks students from homes where God and His Word are honored, Biblical values are taught and practiced, and where the glory of God is the goal of life.

One of the keys to success in a Christian school is harmony between the teaching and example of the home, church and school. The school's admissions policies seek to promote such success.

Admission requirements for students wishing to attend CCA are:

1. At least one parent or guardian must be a born-again Christian and a member of a Bible-believing church. The churches from which the CCA families come must be approved by the school board.
2. Parents must be in doctrinal agreement with the Academy and must indicate willingness for their children to be taught that doctrine.
3. Parents must agree to stand behind the school's disciplinary code.
4. The student must meet requirements necessary for participation in the academic program of CCA; testing may be necessary.
5. To enter Kindergarten, students must be five years old before September 1<sup>st</sup> of that school year. Kindergarten students will be admitted only after proper evaluation indicates that they are physically and mentally ready for the Kindergarten program.
6. Both parents and the student for whom the application has been made will be interviewed by the principal.

It is recommended that application for admission to Canaan Christian Academy be done as much in advance of the start of the school year as possible.
